

António Campos

Title: CEO & Founder

Affiliation: HUB2ENERGY

E-mail: A.campos@hub2energy.com

Biography:

António Campos is a multifaceted leader at the forefront of sustainable energy and strategic investment as the Co-founder and CEO of HUB2ENERGY, based in Kuwait. Under his direction, the company serves not just as an industry participant but as a catalyst for change in the realms of sustainable energy solutions and responsible investments.

In addition to his role at HUB2ENERGY, Campos holds the position of President of the Portuguese Business Council Kuwait and serves as an Advisory Board Member at the Consulate of the Embassy of Portugal in Abu Dhabi. These additional roles provide him with a unique blend of localized expertise and global perspectives, enriching the company's broader vision.

Campos' academic background is equally diverse, featuring a Bachelor's degree in Business Philosophy, advanced studies in Political Science, and an Executive MBA. This multidisciplinary education enhances his comprehensive understanding of the complexities involved in sustainable energy transition and economic development. He is also an active member of Sedes, one of Portugal's oldest civic associations and a prestigious think tank focused on humanism, democracy, and socio-cultural development. His involvement in Sedes underscores his commitment to sociocultural betterment and positive change, both in Portugal and internationally.
